### Mission Statement

*St. Gregory the Great is a Catholic Church made up of people of many different ages, talents, and cultural backgrounds. We are an urban faith community with a small town feel of welcome and hospitality. Motivated by our baptismal calling, we accept our duty to embody the presence of Jesus Christ in the world and to take up the mission he entrusted to us by our word and example. We glorify God through support and service of our time, talent, and treasure to our church and to the larger community in which we live.*

## ANTS IN CHURCH

We have recently experienced an infestation of ants on and under the pews and around the piano in Church. The ants have converged on food particles that have been left on the floor or in the pew. My guess is that the food is related to the parental strategy of feeding small children during Mass. I have no personal objection to this strategy, but I ask if parents could please check for and clean up any food on the floor or in the pew before leaving Church at the end of Mass. Thanks for your help with this. – Fr. Paul
